

# ASST. MACHINE SERVICE TECHNICIAN

**Position Type:** Part-Time (with potential for Full-Time)

Opportunity Awaits at Sew Magarbo: We're expanding our team and looking for an Assistant Machine Service Tech to work closely with our in-home technicians. This part-time role, with the potential to become full-time, is perfect for someone who loves to tinker and has a knack for fixing things. If you're ready to embark on a journey of growth, learning, and significant impact in the Northern Virginia area, we're looking for you!

## **Key Responsibilities:**

- Assist in servicing and repairing sewing machines under the guidance of experienced in-home technicians.
- Travel locally and potentially nationally for training sessions, ensuring our service standards are top-notch.
- Be available to work on-site, especially on Mondays (at least 2 Mondays a month), and respond to service calls as needed.
- Manage and organize tools, parts, and documentation related to machine service tasks.
- Provide exceptional service to our community, aiming to meet all of Northern Virginia's sewing machine service needs.

## **We're Looking For Someone Who:**

- Is at least 18 years old with a valid driver's license and comfortable with both short and long-distance travel, including by plane.
- Enjoys working with their hands and has a curiosity for how things work—whether it's computers, cars, radios, or sewing machines.
- Can lift at least 75 lbs and handle the physical aspects of the job.
- Is organized, detail-oriented, and eager to learn and grow in the field of machine service.
- Has a genuine willingness to take on challenges and contribute to the success of our team and community.

## **Pay:**

NEGOTIABLE based on experience.

Why Join Sew Magarbo? At Sew Magarbo, we're more than just a creative arts studio; we're a family that values each member's growth and contribution. We offer the opportunity to learn from the best, a supportive community, and the chance to make a real difference in the lives of our customers. If you're passionate about service and ready to take your tinkering skills to the next level, let's get to work.
